Career Break Information (May 2023 - present)

I have committed myself to deep personal growth by exploring the interconnectedness of nature and social sciences.

- The root causes of illness and how we might prevent all diseases by aligning with natural principles
- The need for a fair and nature-informed approach to education that nurtures every individual's true potential
- How we develop our abilities (talents) —both consciously and unconsciously—and the ways we influence one another's growth
- The nature of luck: how it arises, how it's shaped by our environments, and how we can help unlock it universally

Interests & Talents

- Logical spirituality (*continuous evolution in nature, healthy mind & body, interconnectness of nature*)
- Social sciences (*psychology, sociology, philosophy, history*)
- Continuous multi-directional education cycle
- Personal development and rapid learning
- Art criticism (*painting, movie, song, writing*)
- Creative writing (*poem, article, story*)
- Music (*almost all genres*)
- Freestyle dancing (*+ clubbing*)
- Detailed impersonation (*+ timeless empathy*)
- Creative cooking (*vegetarian*)
- Team sports (*football, basketball, volleyball*)
- Extreme sports (*mountain biking*)
- Painting (*pencil drawing, doodles*)
